

MEMORANDUM

TO: Participants Eligible for Prescription Benefits

FROM: Board of Trustees

DATE: August 15, 2006

Enclosed you will find correspondence from the Plan's Prescription Benefit Manager, Envision Rx Options, explaining a change being made to the mail order pharmacy provider. Effective September 1, 2006, the new provider will be Immediate Pharmaceutical Services (IPS). Also enclosed is an enrollment kit from IPS. Please take time to review the material and complete the necessary information to continue or start using the program. There has not been any other changes to the co-payments or other provisions of the Plan. We encourage all participants to use mail order for maintenance medication. The co-payments are structured so that you and the Fund will benefit from reduced costs.

If you have any questions, please feel free to contact IPS or Envision Rx Options directly.
